

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

REPORT.

OFFICE OF STATE TREASURER, }
JEFFERSON CITY, MO., January 2, 1901 }

To the Honorable, the Forty-first General Assembly of the State of Missouri:

Gentlemen—I have the honor to transmit herewith a report of the financial transactions of the State, as disclosed by the books of this office, for the biennial period ending December 31, 1900.

We still have in our hands the sum of \$1,981.75, collected under the "University Endowment Tax" law. As this law has been declared unconstitutional by our Supreme Court, we are compelled to hold the above amount until some disposition is made of it by the Legislature. We would recommend that you enact a law, authorizing the Fund Commissioners to credit it to the Seminary, School or Revenue Fund.

We call your attention to Section 10,529, R. S., 1899, and ask its repeal. It is not only impracticable, but is in conflict with the provisions of Section 7404, Chapter 104.

In submitting this, my last biennial report, it is with much pride that I call your attention to the improved condition of our finances, as evidenced by the large balances in the various funds. This condition has been brought about by economical administration, the rigorous enforcement of our beneficent laws, the celerity with which the people have paid, and the county collectors have collected and remitted the taxes due the State, and by the earnest and faithful discharge of every duty incumbent on the public servants of the State.

Very respectfully,

F. L. PITTS,

State Treasurer.

OFFICE OF THE STATE TREASURER OF MISSOURI,
CITY OF JEFFERSON, January 11, 1897.

To.....

Notice is hereby given that bids are now solicited, and will be received until 1 o'clock p. m., Monday, the first day of February, 1897, for the safe-keeping of public funds belonging to the State of Missouri, or for one or more twentieths of said funds, for a period of time embraced within the first day of February, 1897, and the first day of February, 1901, and until another selection of a depository or depositories shall be

made—reserving to the State and to the depository the right and privilege to terminate any contract entered into therefor, on giving thirty days' notice, the one to the other, of such intention to annul such contract.

All bids must be enclosed in strong envelopes, marked "*Bids for the safe-keeping and payment of deposits of the State funds,*" and addressed to Frank L. Pitts, Treasurer of the State of Missouri, City of Jefferson, Mo., and must plainly state the rate of interest the bidder proposes to pay on daily balances.

The conditions, among others to be complied with, are:

First—The selected depository or depositories must give as security for the deposits a bond equal to at least twenty-five per cent of the amount of the accepted bid or bids, to be approved by the Governor and Attorney-General, and in addition thereto bonds of the United States, the State of Missouri, or, in the discretion of the Governor, Attorney-General and State Treasurer, the registered bonds of the city of St. Louis, or of any other city in this State having a population of not less than one hundred thousand; or the registered bonds of any county in this State worth not less than par, to an amount at least equal in value to the amount of the deposits with such banks or banking institutions—such bonds to be held by the State Treasurer, or by such trustees as may be agreed upon by the Governor, Attorney-General and State Treasurer.

Second—All necessary and reasonable expenses incurred by the Governor, Attorney-General and Treasurer, in their official capacity in inspecting and seeing that the bonds given as security for the safe-keeping of the public funds are actually in the vaults of the bank or trust company agreed upon for their safe-keeping must be paid by the depositories, and the selected depository or depositories will be required to furnish all exchange needed by the State and make collection of all checks and drafts remitted for the credit of the State, free of charge.

Third—Bids may be made for one or more twentieth parts of the entire State funds, but no bid will be considered for a smaller amount than one-twentieth part. Parties making bids will observe that no part of the deposits will be time deposits; all will be subject to check, without notice, as the demands of the State may require.

Fourth—A certified check for five thousand dollars must accompany each bid, as a guarantee that the bidder will enter into contract according to law if the contract be awarded to him.

The State reserves the right to reject any and all bids.

Said bids are invited under the provisions of article 2 of chapter 164 of the Revised Statutes of Missouri, 1889, entitled "Public moneys," as amended by an act approved April 11, 1895. See Revised Statutes of Missouri, 1889, page 2,000; also the Laws of Missouri for 1895, page 276.

FRANK L. PITTS, State Treasurer.

The following is a copy of the contract entered into with the State depositories:

This agreement, executed this 8th day of February, 1897, by and between Frank L. Pitts, Treasurer of the State of Missouri, party of the first part; and the _____, of _____, Missouri, party of the second part.

Witnesseth: That in pursuance of the terms and conditions of a bid, made February 1st, 1897, a copy of which is hereto attached, by said second party, for the safe-keeping and payment of — twentieths of the State funds and interest thereon, which bid was duly accepted by said first party, as Treasurer aforesaid, with the approval of the Governor and Attorney-General, and is on file in the office of the said Treasurer; said first party, as Treasurer aforesaid, agrees to deposit with the said second party, the _____ of _____, Missouri aforesaid, — twentieths of all the moneys and public funds belonging to the State of Missouri, or held in trust by said State, or that may, during the continuance of this contract, belong to or be held in trust by said State; which are now, or may during the continuance of this contract, required by law to be paid into the State Treasury, for any purpose whatsoever.

Section 2. Said second party agrees to allow interest on daily balances of such deposits at the rate of _____. And said party of the second part agrees to promptly collect all checks, drafts or other instruments of exchange deposited with it under this contract free of charge to the first party, and to protect the

checks drawn by said first party on said second party against any charge for collection; and to furnish the party of the first part ——— twentieths of the exchange on New York or St. Louis as may be necessary for his official transactions, free of any expense to him or the State of Missouri.

Section 3. As security for the safe-keeping and payment of said deposits, when demanded by said Treasurer, on his checks or by other lawful authority, said second party agrees to give a personal bond of ——— (\$———), said bond to be approved by the Governor and Attorney-General, and to deposit from time to time with the State Treasurer, or such bank, trust and safe deposit company in New York or St. Louis as may be agreed upon by said Treasurer and the Governor and Attorney-General of Missouri, an amount of bonds of the United States or the State of Missouri, or, in the discretion of the Governor, Attorney-General and State Treasurer, the registered bonds of the City of St. Louis or of any other city in this State having a population of not less than one hundred thousand, or, in the discretion of the Governor, Attorney-General and Treasurer, the registered bonds of any county in the State, worth not less than par, at least equal in value to the amount of the deposits of State funds with said second party—said bonds to be held by said Treasurer, bank, trust or safe deposit company in trust for the purpose herein mentioned—the expense attached to holding said bonds to be paid by the party of the second part.

Section 3. As security for the safe-keeping and payment of said deposits, when demanded by said Treasurer, on his checks or by other lawful authority, said second party agrees to give a personal bond of ——— (\$———), said bond to be approved by the Governor and Attorney-General, and to deposit from time to time with the State Treasurer, or such bank, trust and safe deposit company in New York or St. Louis as may be agreed upon by the Treasurer and the Governor and Attorney-General of Missouri, an amount of bonds of the United States or the State of Missouri, or, in the discretion of the Governor, Attorney-General and State Treasurer, the registered bonds of the city of St. Louis or of any other city in this State having a population of not less than one hundred thousand, or, in the discretion of the Governor, Attorney-General and Treasurer, the registered bonds of any county in the State, worth not less than par, at least equal in value to the amount of the deposits of State funds with said second party—said bonds to be held by said Treasurer, bank, trust or safe deposit company in trust for the purpose herein mentioned—the expense attached to holding said bonds to be paid by the party of the second part.

Section 4. If the value of the bonds so deposited as collateral security shall at any time become so far depreciated as to impair the security of the money deposited with the second party, or if the Governor and Attorney-General at any time believe that such bonds are not satisfactory security for said money deposited with said second party, the State Treasurer, with the approval of the Governor and Attorney-General, may require, and the party of the second part shall give, such additional security as shall be satisfactory to said Governor, Attorney-General and Treasurer.

Section 5. Whenever the amount of bonds so held in trust shall be in excess of the amount of money on deposit with said second party, said Treasurer, or his successor or successors in office, with the approval of the Governor and Attorney-General, shall, if so requested by said second party, authorize and direct the bank, trust or safe deposit company holding such bonds on deposit to reduce the total value of bonds on deposit to an amount equal to the amount of money on deposit with said second party; and until such return of bonds is ordered made the said second party shall not be bound to honor or pay further checks of said Treasurer. In the event said second party shall fail to pay the check or checks of said Treasurer, except for the reason last above stated, then the Treasurer shall be authorized to forthwith convert such bonds into money, or so many of them as may be necessary to pay the whole amount of the deposits made by said Treasurer with said second party, and disburse the same according to law.

Section 6. Said second party agrees to render to said first party, Treasurer, as aforesaid, at the end of each month, a statement in duplicate, and to the Governor a triplicate statement, showing the daily balances on amount of State funds held by it during the month, and the amount of accrued interest thereon, which said interest shall be paid and credited to the State monthly, on the first day of each month. Said

second party agrees to pay — twentieths of the necessary expenses incurred from time to time by the Governor, Attorney-General and Treasurer in inspecting and seeing that the bonds given as security for the safe-keeping of the funds deposited with all of the State depositories are actually in the vaults of the bank, trust or safe deposit company selected for their safe-keeping.

Section 7. Said second party may, at any time, with the written consent of the said first party, and the Governor and the Attorney-General, be permitted to withdraw from said Treasurer or trustees or bond depository, and bonds deposited by it under this contract: Provided, that it shall, at the time of withdrawing said bonds, replace the same by depositing such other bonds as are hereinbefore named, equal in value to those withdrawn, which said bonds must be approved by the Governor and Attorney-General.

Section 8. This contract shall continue until the first day of February, 1901, and until another depository is selected for State funds: Provided, however, that the said first party reserves the right to terminate the same at any time, with the approval of the Governor and Attorney-General, on giving thirty days' written notice to said second party, the ———, of his intention to do so; and the said party of the second part reserves the right to terminate this contract at any time on giving the said first party thirty days' notice in writing of its intention to do so.

In testimony whereof, the parties hereto have subscribed their names and affixed their seals, the day and date above written.

BOND INVESTMENT COMPANIES.

Section 1536, Revised Statutes of Missouri of 1899, provides that bond investment companies shall deposit with the State Treasurer securities, in cash, United States, State of Missouri, or any county, municipal, township or school bonds, or mortgage bonds secured by deed of trust on unencumbered real estate; to the amount of \$100,000; said securities to be increased to an amount equal to the liabilities of any company on its contracts whenever such liability exceeds the sum of \$100,000.

ST. LOUIS MUTUAL BOND INVESTMENT CO.

Since the publication of our last report, the affairs of the St. Louis Mutual Bond Investment Company have been wound up; and the securities deposited with the State Treasurer have, upon the order of the Circuit Court of Jasper county, been delivered to W. S. Chinn, receiver of said company.

GUARANTEE INVESTMENT COMPANY, OF NEVADA, MO.

This company does no new business. Its liabilities consist of five (5) outstanding bonds, and two judgments, aggregating the sum of \$3,234.28.

We still hold as security for this company a note for \$100,000.00, executed by D. P. Slattery, Wm. H. Stevenson and J. B. Johnson, and secured by mortgage on real estate situate in St. Louis city, and St. Louis and Washington counties, Missouri.

TONTINE LOAN AND SECURITY COMPANY.

This is the only company, operating under the provisions of the law in regard to "bond investment companies," that is in active existence. Its securities have been somewhat strengthened during the past two years, and their accepted value now aggregate the sum of \$100,854.49. According to the report of the Supervisor of Building and Loan Associations, the total liability of this company on its contracts on February 14, 1900, at which time the last examination of its affairs was made, was \$68,654.61.

The following is a full list and description of the securities of this company now on deposit in the Treasury vault:

APPROPRIATION BY CONGRESS.

FOR THE MORE COMPLETE ENDOWMENT AND MAINTENANCE OF COLLEGES FOR THE BENEFIT OF AGRICULTURAL AND MECHANIC ARTS.

In 1890 the following law was enacted by the United States Congress, approved August 30, 1890, to-wit:

AN ACT to apply a portion of the proceeds of the public lands to the more complete endowment and support of the colleges for the benefit of agriculture and the mechanic arts established under the provisions of an act of Congress, approved July 2nd, 1862.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That there shall be and hereby is annually appropriated, out of any money in the Treasury not otherwise appropriated, arising from the sales of public lands, to be paid as hereinafter provided, to each State and Territory, for the more complete endowment and maintenance of colleges for the benefit of agriculture and the mechanic arts now established or which may be hereafter established, in accordance with an act of Congress approved July 2nd, 1862, the sum of fifteen thousand dollars for the year ending June 30th, 1890, and an annual increase of the amount of such appropriation thereafter for ten years by an additional sum of one thousand dollars over the preceding year; and the annual amount to be paid thereafter to each State and Territory shall be twenty-five thousand dollars to be applied only to instruction in agriculture, the mechanic arts, the English language and the various branches of mathematical, physical, natural and economic science, with special reference to their applications in the industries of life, and to the facilities for such instruction. *Provided,* that no money shall be paid out under this act to any State or Territory for the support and maintenance of a college where a distinction of race or color is made in the admission of students, but the establishment and maintenance of such colleges separately for white and colored students shall be held to be a compliance with the provisions of this act, if the funds received in such State or Territory be equitably divided as hereinafter set forth: *Provided,* that in any State in which there has been one college established in pursuance of the act of July 2nd, 1862, and also in which an educational institution of like character has been established, or may hereafter be established, and is now aided by such State from its own revenue, for the education of colored students in agriculture and the mechanic arts, however named or styled, or whether or not it has received money heretofore under the act to which this act is an amendment, the Legislature of such State may propose and report to the Secretary of the Interior a just and equitable division of the fund to be received under this act between one college for white students and one institution for colored students, established as aforesaid, which shall be divided into two parts and paid accordingly, and thereupon such institution for colored students shall be entitled to the benefits of this act and subject to its provisions, as much as it would have been if it had been included under the act of eighteen hundred and sixty-two, and the

fulfillment of the foregoing provisions shall be taken as a compliance with the provisions in reference to separate colleges for white and colored students.

Sec. 2. That the sums hereby appropriated to the States and Territories for the further endowment and support of colleges shall be annually paid on or before the thirty-first day of July of each year, by the Secretary of the Treasury, upon the warrant of the Secretary of the Interior, out of the Treasury of the United States, to the state or territorial treasurer, or to such officer as shall be designated by the laws of such State or Territory to receive the same, who shall, upon the order of the trustees of the college, or the institution for colored students, immediately pay over said sums to the Treasurers of the respective colleges or other institutions entitled to receive the same, and such Treasurers shall be required to report to the Secretary of Agriculture and to the Secretary of the Interior, on or before the first day of September of each year, a detailed statement of the amount so received and of its disbursement. The grants of moneys authorized by this act are made subject to the legislative assent of the several States and Territories to the purpose of said grants: *Provided*, that payments of such installments of the appropriation herein made as shall become due to any State before the adjournment of the regular session of the legislature meeting next after the passage of this act shall be made upon the assent of the Governor thereof, duly certified to the Secretary of the Treasury.

Sec. 3. That if any portion of the moneys received by the designated officer of the State or Territory for the further and more complete endowment, support and maintenance of colleges, or institutions for colored students, as provided in this act, shall by any action or contingency be diminished or lost, or be misapplied, it shall be replaced by the State or Territory to which it belongs, and until so replaced no subsequent appropriation shall be apportioned or paid to such State or Territory; and no portion of said moneys shall be applied directly or indirectly, under any pretense whatever, to the purchase, erection, preservation or repair of any building or buildings. An annual report by the President of each of said colleges shall be made to the Secretary of Agriculture, as well as to the Secretary of the Interior, regarding the condition and progress of each college, including statistical information in relation to its receipts and expenditures, its library, the number of its students and professors, and also as to any improvements and experiments made under the direction of any experiment stations attached to said colleges, with their cost and results, and such other industrial and economical statistics as may be regarded as useful; one copy of which shall be transmitted by mail free to all other colleges further endowed under this act.

Sec. 4. That on or before the first day of July in each year after the passage of this act, the Secretary of the Interior shall ascertain and certify to the Secretary of the Treasury, as to each State and Territory, whether it is entitled to receive its share of the annual appropriation for colleges, or of institutions for colored students, under this act, and the amount which thereupon each is entitled, respectively, to receive. If the Secretary of the Interior shall withhold a certificate from any State or Territory of its appropriation, the facts and reasons therefor shall be reported to the President, and the amount involved shall be kept separate in the Treasury until the close of the next Congress, in order that the State or Territory may, if it should so desire, appeal to Congress from the determination of the Secretary of the Interior. If the next Congress shall not direct such sum to be paid, it shall be covered into the Treasury. And the Secretary of the Interior is hereby charged with the proper administration of this law.

Sec. 5. That the Secretary of the Interior shall annually report to Congress the disbursements which have been made in all the States and Territories, and also whether the appropriation of any State or Territory has been withheld, and if so, the reasons therefor.

Sec. 6. Congress may at any time amend, suspend or repeal any or all of the provisions of this act.

Approved August 30, 1890.

1000

By an act of the Legislature of Missouri, approved March 13, 1891, the State Treasurer is authorized to receive from the Treasurer of the United States the money granted to this State under the foregoing act of Congress, and to apportion the same to the State University and Agricultural College and the Lincoln Institute, according to the enumeration of white and colored children of school age in the State, as furnished by the Superintendent of Public Schools. This act was amended in 1899, and Section 10,533, under which the distribution for 1900 was made, provides for the distribution of the annual appropriation, as follows: One-sixth ($\frac{1}{6}$) thereof to the benefit of the Lincoln Institute, and one-fourth ($\frac{1}{4}$) of the remainder to the Treasurer of the School of Mines at Rolla, and the remainder to the Treasurer of the State University for the benefit of the Agricultural College.

The following table shows the amounts received from the Treasurer of the United States under this act, and the distribution of same to the treasurers of the above named institutions:

BEER INSPECTION.

Section 7689, Revised Statutes of Missouri of 1899, provides that the State Treasurer shall furnish suitable labels and certificates for the use of the Beer Inspector, to be delivered to the Inspector upon demand; and shall keep a true and correct account of his dealings with said Inspector, charging him with all labels received and crediting him with sums collected and paid over to the State Treasurer.

Upon the taking effect of this law, we forthwith advertised for bids for labels and certificates; and the Woodward and Tiernan Printing Company, St. Louis, being the lowest and best bidder, the contract was awarded to it.

The following is a true statement of accounts with the labels and with G. R. Kenamore, Beer Inspector.
